**JOINDER AND STATEMENT**

1. The State of Mississippi joins in the Objection to the *Motion of Debtors Pursuant to 11 U.S.C. § 105(a) and 363(b) for Entry of an Order Authorizing and Approving Settlement Term Sheet* [ECF No. 4410] (the “Motion”), by which the Debtors seek approval of a settlement term sheet among the Debtors, the Sackler Mediation Parties, and eight States and the District of Columbia. The State of Mississippi does not object to settlement insofar as it seeks to provide States with additional value to be dedicated to desperately needed opioid abatement efforts. However, the State of Mississippi objects to any aspect of the settlement that provides disproportionately favorable treatment to the eight States and the District of Columbia over other States not party to the settlement. For the reasons set forth in the Objection, any funds to be distributed to the States under the settlement for abatement efforts must be distributed to all States in accordance with the previously agreed upon allocations approved by this Court.

**WHEREFORE**, the State of Mississippi, through its Attorney General, respectfully requests that the Court deny the Motion insofar as it seeks to provide the eight States and the District of Columbia with disproportionately favorable distributions in contravention of the allocation previously established in these cases.
